

The Emperor's Private Paradise: Treasures from the Forbidden City

Sign up now for a fascinating Walworth CountyArts Council trip to the Milwaukee Art Museum on Wednesday, July 27th.to see the ***The Emperor's Private Paradise: Treasures from the Forbidden City***, which ushers in the Summer of China, so named because the Museum will feature five exhibitions on Chinese art, offering a rare opportunity to view objects spanning three thousand years of China's history. The Museum is one of only three museums in the world to present The Emperor's Private Paradise. This once-in-a-lifetime exhibition features over ninety objects from the Qianlong Garden in Beijing, never before seen by the public. Murals, paintings, furniture, architectural elements, jades, and cloisonné reveal the life and vision of one of history's most influential rulers, from a place largely cloaked in mystery, and will likely never leave China again.

We will depart by bus 9:00 from the Park and Ride in Elkhorn returning at 3:30. Lunch will not be included in the tour cost. Individuals who are members of Milwaukee Art Museum may deduct \$10.00 from the tour cost below.
